FAQ's **(Frequently Asked Questions)**

Q. What if I want to jump twice?

A. *No problem, We have allotted time if you would like to jump again directly after your first one. It will be an additional \$25.00 to jump again and you will receive a Dangerous Sports Club T-shirt.*

Q. How long will my jump take?

A. *Jumps are like tee times, we have allotted 15 jumps every 15 minutes from 10:30 on. If you arrive in the ORA van, you will be one of the first 15 to jump. If you decide to go again, your jump second will be directly after your first.*

Q. If I choose option #2 and go up solo when do I jump?

A. *Solo attendees will jump from directly after the first 15 people jump. Again, it works like tee times, with increments of 15 minutes. The faster you reserve a spot, the easier I can help reserve a time for you. ORA can only guarantee the times and availabilities for the participants choosing option #1.*

Q. Will I die?

A. *Of course with any type of experience like this there are risks involved. BUNGEE MASTERS has been the industry leader in safety, professionalism and customer satisfaction since 1988. They have appeared on ABC, CBS, NBC, CNN, MTV Real World and Road Rules Challenge, in Newsweek, The Wall Street Journal, Outside Magazine, Sports Illustrated, & ESPN's X-Games. You are going with the best. We will require everyone to sign waivers prior to jumping.*

Q. What time will we get back?

A. *There are a number of variables that will determine this. It is our goal to get you home safe, happy, and with plenty of time to watch Grey's Anatomy. I would plan on dedicating most, if not all, your afternoon to this adventure. If you have some time constraints, let us know and we can do our best to try and accommodate.*

Q. What if I want to just watch?

A. *The way we look at it, the more the merrier...Please come watch this exciting day unfold. Unfortunately the Van is reserved for jumpers only and spectators will need to provide their own transportation. If you need help with arranging this, we are happy to try and accommodate.*

Q. Will there be a professional photographer on site?

A. *Yes, Bungee Masters will have professional photographers on site shooting pictures of your jump. They average about 40 shots per jump and can give you a CD with your jump pictures attached. Of course they will charge in additional fee for this service. We also recommend bringing up a camera of your own, and we are happy to get shots of you while you jump free of charge!*

Q. What if the weather doesn't cooperate?

A. *Being that we live in Oregon, sometimes the weather isn't perfect. The good news is the rain won't make you melt. We will jump rain or shine. If you're willing to huck yourself off a 200ft bridge, rain should be the least of your worries. Besides, if we all think good weather thoughts, it will be sunny and beautiful!*
