WHISTLER BLACKCOMB

RECORD BREAKING SNOWFALL!! 28.8 FT SINCE NOVEMBER 1ST

Whistler Blackcomb... Over 8,100 skiable acres. One vertical mile. Two mountains connected by a pedestrian Village. More than 200 trails. Three glaciers. 38 lifts. Twelve alpine bowls and the largest ski area on the continent. The numbers speak for themselves... Whistler Blackcomb is regarded as the top ski resort in the world. On the slopes, every level of skier and snowboarder is catered for -- every type of terrain imaginable. Off the slopes there are about 100 restaurants and about 200 shops to try, and dozens of other sports and leisure activities.

Come join **Oregon Active** for an amazing **4 days and 3 nights** stay at Snowgoose.. Snowgoose is a GREAT location for ski-in ski-out access. Only 600 meters to Blackcomb lifts. The Extra Large **Private Hot Tub** offers the best way to end your day. At night, enjoy 3 large couches in front of a fire, or take a short stroll to the Chateau Whistler for drinks, live music, and activities that are to remain at Whistler..

In case Record Breaking Snowfall isn't a good enough reason to visit this season, how about the fact that they opened a brand new lift!! This new High Speed Lift provides access to Symphony Amphitheatre, one of the Most Spectacular High Alpine Areas Available in North America. This winter, the Symphony Express will provide access to over 1,000 acres of this intermediate and advanced terrain. Still deciding?? Well maybe this trip just isn't for you..
